

## Welcome to our website

I am a lawyer of the **Supreme Court and the Council of State of Greece** with extensive experience in all areas of domestic and international law, addressing cases before every court of the country as well as the **European Court of Human Rights (ECHR)**.

The Firm consists of experienced attorneys and associates undertaking cases of **financial nature**, indebted households, **cases of civil nature – family** (divorces, **alimonies**, children custody, adoptions, etc.), wills, leases, sales, loans, **car accidents cases**, **estate transactions**, **property law**, commercial, intellectual property and trademark rights, corporate, **criminal law** (theft, robbery, fraud, illegal substances etc.), **fiscal-tax cases**, administrative, electronic crime, borrowers' and consumers' affairs and other, in the first, second and final degree before the Supreme Court of Greece.

Additionally, in cases where every domestic legal mean has been exhausted, we handle appeals before the **European Court of Human Rights**.

We also collaborate with other Law Firms in Greece and abroad as well as notaries, accountants, brokers, consultants etc, in order to provide fully supported legal services or general consulting, in accordance to the needs and nature of each case, representing individuals, merchants, professionals and companies.

Our ethic of work, professionalism, responsibility and respect toward every client in addition to the provision of excellent legal services is our strongest asset against the crisis of values our society faces during this time of distress and has been proven to be the foundation of our excellent reputation.
